**GHOSTS: The Musical TO BE PRODUCED AS A FEATURE-LENGTH FILM!** –P&J Productions is excited to announce the production of the feature film version of Will's show, *GHOSTS: The Musical!* Cameras are set to roll January, 2010 under the direction of Sam Wagner & Cory Jones. Sam & Cory have already made several short films and have studied film at Penn State. Cinematography will be by Blackbird Productions, State College, and *GHOSTS: The Musical* will be filmed entirely in high definition. Neil and Will are producing with music supervision by Will & Brett Keith. Keep checking the papers because we will need plenty of extras for the film. Get ready to see *GHOSTS: The Musical* like you've never seen before! *You will believe . . . on screen!*

**P&J PRODUCTIONS TO FORM AN INDEPENDENT FILM COMPANY** – P&J Productions announces the formation of an independent film company entitled *Footbridge Films*. Those of you familiar with P&J history will understand the title of the new company which harkens back to Neil & Will's meeting during a production of *The Music Man*. Footbridge Films first project will be the film version of *GHOSTS: The Musical*. Neil & Will are extremely excited about this new venture! (*Speaking of The Music Man, Neil & Will encourage all "Music Man" alumni to check out the following link—*[www.youtube.com/watch?v=QmDGntpZC3I](http://www.youtube.com/watch?v=QmDGntpZC3I), it is the Ambassadors of Harmony-2009 International Barbershop Chorus Champions singing 76 Trombones and it is awesome!)

**P&J PRODUCTIONS ANNOUNCES THE WORLD PREMIER OF WILLIAM ALLEN JONES' NEW MUSICAL!** – Will's new show is premiering in 2010 at the Wolf-Kuhn Theatre, Misciagna Family Center for the Arts, Penn State Altoona. The new musical, whose title is a closely guarded secret, will be unlike any show Will has written before. The story is a dark, gothic tale filled with love, murder, deceit, and a supernatural twist that will have audiences gasping! Something wicked this way comes from P&J Productions next year! *Remember this . . . appearances can be deceiving and sometimes . . . looks can kill!*
